## Grange Report

Lucette Moramarco, Secretary  
(760) 489-9502, [suncette@cox.net](mailto:suncette@cox.net)

At our July meeting, we voted to have Ed contact George Slaven about installing floor sinks (drainage system) for a new prep sink in the kitchen and a new three compartment sink in the side room for clean up (washing dishes, etc.) We voted to spend up to \$2000 for these upgrades including an insta-hot hot water heater to replace the old water heater.

We also voted to spend up to \$200 for signs to advertise our pizza kitchen. Bob Lathrop is in charge of this project.

The Dunckel's and Fontana's will run the pizza oven for the first Friday this month. Anyone who can help out on the 21st should come to this month's meeting or let Ed know by phone.

Also at the meeting, Ed encouraged the kids to apply for internships and scholarships offered by the San Diego County Fair. He does not want anyone to be discouraged by the lack of interest at the livestock auction as there will be bad years along with the good and the economy is down this year. He wants them to breed for quality of animal and not change course in the types of animals they are showing.

## Pizza Kitchen Protocol

Our Pizza Kitchen is open the 1st and 3rd Friday of each month from 4:30 to 7 p.m. Workers should set up the kitchen at 4:15, plugging in the pizza oven, taking six crusts out of the freezer to thaw, checking the fridge for any leftover sauce, getting sauce, cheese, pepperoni and other toppings (parmesan cheese, basil and garlic powder) ready.

A summary of sales should be kept – how many cheese, how many pepperoni, etc. sold each time. A receipt with the total amount of money taken in and signed by one person should be left in the money box and locked up.

Any questions, call Ed, (760) 310-6500.

# WELCOME ON THE GRANGE

## Youth Fair Team

Ingrid Dunckel, GYF Team Leader--728-1698

## Hello and Happy Summer!!

By now the fair is over and summer is half way thru. 😊, I hope that everyone is enjoying it all. Sorry for no news last month, but since I was at the fair, I could not send in a report. I am **very proud** of all the kids in our group; they worked very hard to get their animals ready, showed them very well in the shows, and did a fantastic job on the "barn" duty! 🐐

I do not have the results for the pygmy show, but I know the Donoghue kids did a great job with their goats. Our Fair Team received a **1st Place** for both Dairy and Market week on our barn displays. Thank you to **ALL** who helped with getting them ready. 🐐

**In Dairy week**, Sarah received a Best Doe in Show with her Oberhasli, Jenna a Grand Champion with her LaMancha, Isaac a Reserve Jr. Champion with his LaMancha, and Kevin a 2nd with is 2 yr milker. I do not have placings for the babies, but they did very well also. 🐐

**In Market classes**, by weight, Amy 1st, Isaac 3rd, Becca 2nd, Jenna 4th, Kiera 3rd, Noah 6th, Andrew 6th, Chris 1st, Kevin 2<sup>nd</sup>. In **showmanship**, Int., Kiera 1st, Amy 3rd, Isaac 8<sup>th</sup>. In senior, Andrew 2nd, Jenna 4th, Becca 7<sup>th</sup>. For Bred and Fed goats: Int., Chris 3rd, Kevin 5th, Amy 7th, Kiera 9th, and Isaac 10th. Senior: for goats: Becca 6th, for steer Maddy received 5<sup>th</sup> Market class, 5th

showmanship, 3rd senior Bred and Fed 🐐.

It was a busy time, and I hope everyone enjoyed themselves. It was fun to see

Isaac and Noah looking sleepy 🐐 in the mornings going to the barns to clean and feed!! They did a great job as first timers, getting the feel for the fair and the work involved. I hope they stick around for next year. **Thanks to Dave Fontana** who helped with the kids for market week in the early hours to get them to the barns and see that the work got done. It let us ladies relax a bit in the mornings and not have to get up so early!! 🐐

The auction was a bit disappointing I know. 😞 But we knew with the economy that the prices could go down and they did. I am thankful for the buyers that were there, and by next year let's hope and **PRAY** that prices are better. You have to really try to get your buyer before fair, but I know it doesn't always work. I will work on the grange to help with the kids for next year, hopefully animals may cost less also to purchase. 🐐

Our next meeting is on **August 8th, at 4:30**. We can go over fair issues then, and see what we can improve on for next year, although I think we did pretty good. I look forward to Kendra showing her new pygmy goat!! 😊 I hope everyone will be able to come to the Jamboree, fix pizzas, and visit.

That is pretty much all for now, see you at the next meeting and again, thank you to all for making the fair a fun time again this year. I couldn't do it without you all. 🐐
