Grange Report

We managed to get a quorum together for our May meeting. Ed reported that the hall does not have the right kind of electricity for the convection oven, so we will be selling it. He already sold the three door refrigerator to a winery in Temecula.

We will have our Community Yard Sale on Saturday, June 23. We will sell spots for a \$10 donation from Grange members and \$15 from non-members. All spots will be outside. Anyone interested in selling their stuff can call or email me by June 20.

We could also use a few volunteers to sell stuff the Grange doesn't

need anymore, so if you would like to help, let me know.

At the Rainbow Days Picnic on May 19, Suzy and I held a bake

sale for our Dictionary Project. Suzy made 4 batches of brownies, 1 of cupcakes, and 2 of lemon squares while I made 4 dozen pistachio cookies. We made \$55 which will pay for a box of dictionaries to be presented to the third graders at Vallecitos in the fall.

Also at the picnic, Suzy presented a \$75 check to Principal/Superintendent David Jones (see above) to pay for Vallecitos' Honor Roll Breakfast at the end of the school year. The money was raised at last year's bake sale.

On June 5, Lucette and Suzy went to the **San Diego County Fair** and chose the winners of Rainbow Valley Grange's donated awards, (\$25 each).

Recycled Craft: A 12 year old from El Cajon made this go cart from a water tank and other recycled items.

Creative Writing: "Ferris Wheel to Mars" was written by a 9 year old from Solana Beach.

Art: This picture was painted by 9 year old from San Diego.

Photography: This shot of the moon was taken by an 11 year old from San Diego.
