March is said to come “in like a lion and out like a lamb.” So far we have had a fairly tame lion with gentle rains nurturing our crops, groves, and gardens. This month we will have a roaring good time at our annual corned beef and cabbage dinner. This tradition raises the Irish spirit and gives us the occasion to enjoy the approaching spring. Rosalind O’ Donoghue, your hostess, will start the festivities at 4:00 on Sunday the 14th. Unfortunately, I’ll be freezing

my shamrocks in Ohio on duty with the Air Force.

Looking ahead; Edward Luttrell, our national master, has declared April “National Grange Month.” The theme for Grange Month this year is “Now is the Time” and it is a celebration of what our members are accomplishing across the nation. He has asked all of us to open our doors and show the public what the Grange means to the community. “Share the rich benefits of Grange membership and involvement with the citizens of your neighborhood.” Our St. Patrick’s celebration will give us this very opportunity to open our doors to the community and show off The Grange.

Our Corned Beef and Cabbage Dinner is on Sunday, March 14th. Members have signed up to get different parts of the dinner and dessert. We got lots of compliments on the dinner last year, so if you haven't tried our Corned Beef & Cabbage, come on down and bring a friend, or two.

We have decided to start our kitchen remodel with the floors. Ed Kowski is looking into the cost of flooring in a neutral color.

Dues are due by March 31st. If you cannot pay by then, let me know and make arrangements to pay later and/or make quarterly payments. If you have not received your membership card yet and did not mail your check in the last few days—then you have not paid. Members that have not contacted me by the 31st are subject to suspension at our April meeting.

Our meeting this month is on March 13th. Don't forget to bring your posters on animal care. You each will have the time to share. I look forward to seeing the different types of posters! The spaghetti dinner will be cancelled. I will not be available, and most of the group will not either. If someone else wants to do it, that is fine.

For those going to fair we will have information available on that also. We will see you on the 13th. and don't forget the dinner on the 14th., for those that will be there to help and cook.

At February's meeting we voted to change the application fee to \$1.00. At our next meeting we will have the second vote on this so we can get our By-Laws up-to-date. Our next meeting will be Saturday, April 24th before the Youth Fair Team's Spaghetti Dinner. All Grangers are welcome to come to the meeting and are invited to attend the dinner to support the Youth Fair Team.

Junior Report

Sandi Fontana, Junior Leader

At last month's meeting we discussed Arts in the Park which is held the last Sunday in April. We've been asked to do a petting zoo like we did last year. The Lathrops will have some baby goats to bring and the Donoghues will have a baby goat and a bunny.

We will be working on a different Merit Badge each month. For this month you are to work on Discovery Network Badge #7, Animal Care. You can find all the badge information at <http://www.nationaljuniorgrange.org/MeritBadges/badges.htm>.
