## Grange Report

Lucette Moramarco, Secretary  
(760) 489-9502, suncette@cox.net

Our next meeting is on Monday, October 10. We are having a potluck dinner first for those who want to come at 6:30. We will be working on plans for our bare root tree fundraiser. Ray Osterberg has ordered a variety of trees that we will be selling; they will be delivered in January.

Our Pizza Nights have been holding steady with sales of 14 - 17 pizzas a night. Tracy Lathrop along with Ed and Cynthia Komski will be working Oct. 7. Volunteers are needed for Oct. 21 and Nov. 4.

Now that we no longer have a fair team or junior grange, we want to start some adult activities including a sewing and/or craft group, and maybe game nights, Bingo and/or cards. Let us know if you are interested.

On Friday, Sept. 30, I delivered 25 dictionaries to the third graders at Vallecitos (see photo below). Those were the last ones we had; since they were enough for this year we decided to donate the \$75 made at the Rainbow Days Picnic to Vallecitos' GATE program to help with fieldtrips.

Every day I find in my in-box A Word of the Day from Dictionary.com. One day last month the word was inculcate. This is a word that anyone who has attended Grange rituals will recognize. For those of you who wondered what it means, here is the definition.

**inculcate** \in-KUHL-kayt; IN-kuhl-kayt\, *transitive verb*: To teach and impress by frequent repetition or instruction.

Sometimes I find that the only way to remember something is to read it over and over many times. So, you may have read the following before, but it won't hurt to read it again.

*I've learned....That life is like a roll of toilet paper. The closer it gets to the end, the faster it goes..*

*I've learned....That we should be glad God doesn't give us everything we ask for.*

*I've learned.....That money doesn't buy*

*class..*

*I've learned...That it's those small daily happenings that make life so spectacular.*

*I've learned... That under everyone's hard shell is someone who wants to be appreciated and loved.*

*I've learned....That the Lord didn't do it all in one day.. What makes me think I can?*

*I've learned.....That to ignore the facts does not change the facts.*

*I've learned....That the less time I have to work, the more things I get done.*

Occasionally I receive emails from the National Grange about member benefits. I forward the emails to our membership. In the past few month, there have been deals for Verizon, T-Mobil and TNT Travel.

The National Grange in conjunction with CVS Caremark and TruHearing, has announced a new member benefit for savings on prescription drugs and hearing aids.

Send me an email if you want me to resend the email. In case you don't receive emails and would like to know more details, give me a call and I will mail you the info.
